

## Online Course “Practice Leaders in Medical Homes” For Leaders Who Wish to Transform Their Practices into Medical Homes

This asynchronous, online, CME-eligible, 9-module course provides physicians, nurses, practice administrators, and other practice leaders with an awareness of competencies that facilitate effective practice within medical homes.

Each 1-hour module includes self-assessment questions, a short reading, a narrated presentation, a case study, a video vignette, final assessment questions, and additional resources. Tuition is \$15 per module. Topics include:

- Assessing Readiness to Change into a Medical Home
- Leading Change in Medical Homes
- Health Information Technology in Medical Homes
- Interdisciplinary Teams in Medical Homes
- Communicating with Patients of Medical Homes
- Supporting Patient Self-Management within Medical Homes
- Care Management in Medical Homes
- Continuity of Care for Patients of Medical Homes
- Managing the Medical Home

Physicians will earn one CME credit per one-hour module. **Each module has been reviewed and is acceptable for 1 prescribed credit by the American Academy of Family Physicians and 1 Category 2-B credit by the American Osteopathic Association.** The AAFP designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit™ per module (Introduction not included). AAFP accreditation began July 20, 2010; term of approval is for two years with option for annual renewal.

The course was developed by the Roger C. Lipitz Center for Integrated Health Care at the Johns Hopkins Bloomberg School of Public Health with funds from the John A. ### Feedback from Enrollees

*“The information is wonderful and very relevant – I learned a lot. I haven’t seen this material in the literature or presented at national meetings, so it is extremely helpful.”*

*“I appreciate the fact that learners can see all modules and how they fit together but can access only the ones that they want in whatever order is most helpful.”*
